

# Parking validation at a payment kiosk

## Arriving at USC Village

- Slowly pull up to the entry gate.
- Your vehicle plate will be read, and the barrier will open.
- Drive through and park.
- Remember your vehicle plate details, you'll need them to validate and pay.

## Validating and paying:

- 1 Note the numerical validation code at the store you're visiting.
- 2 Visit one of the payment kiosks located by the elevator to the parking garage.
- 3 Tap the screen to start the process.
- 4 Enter your vehicle plate in the box shown. Press → to continue.

- 5 Press 'enter code' and type in the validation code.
- 6 If there is any additional time to pay for, you will be asked to tap, swipe, or insert your Visa, Mastercard, or American Express.
- 7 You'll be notified when payment is approved and a receipt link is displayed.

## Leaving USC Village

- Once you've validated and paid, return to your vehicle.
- Slowly approach the exit gate.
- Your plate will be read, and the barrier will open.
- Drive through.
- Have a great day.
